

Video Game Pitch

Today's the big day! You get a chance to pitch your idea for the next big video game to some major game developers. Fill in the details below to share your ideas. Remember, the more detail you give, the better.

Video Game Pitch	
Video Game Name	What platform will the game be produced on? (e.g Playstation, Oculus, PC)
What type of game is it?	Where is the game set?
What age is your game designed for?	What is the theme of your game?
Additional Information	
Describe the gameplay by writing a walkthrough.	

Additional Information

What options will players have to customise the game?

How will players progress through the game?

How will players complete the game?
