A Message for Ysgol Calon Cymru Pupils

Dear Pupils,

As we begin 2021 I know many of you will have questions about the future plans for your assessments later this year. I wanted to take this opportunity to write to you to reassure you that during this time of uncertainty the school will continue to plan for your assessments and to support you. The school's aim is to do everything possible to ensure you achieve the grades you deserve this year.

Currently, you will continue with blended learning from home until your return on January 18th. There is every chance that this could be extended. I am confident that the school is in a strong position to deal with any changes and challenges, which we will face together. Your teachers are working incredibly hard to ensure that you are

well prepared for the upcoming assessments. It is essential you continue to engage with your blended learning throughout this period. Work will continue to be set remotely and some of your lessons will continue 'live' over Teams.

We are due to receive further guidance on how assessments will look like this week. I will continue to update you with arrangements as soon as they are finalised so you have clarity as early as possible.

Cofion Cynnes,
