meet their full potential. RSE is a statutory requirement in the Curriculum for Wales framework and is mandatory for all learners from ages 3 to 16.

This means that we'll be reviewing our RSE curriculum and policy so we can be sure our provision is appropriate for our pupils based on their:

- Age
- Physical and emotional maturity
- Religious and cultural backgrounds
- Special educational needs and disabilities

RSE is taught through a whole school approach and is monitored and reviewed regularly by the staff and governing body. All teaching takes place in a safe learning environment and is underpinned by our school ethos and values.

As a school community, we are committed to working in partnership with parents and all stakeholders within it and as such we need your feedback to help us do this.

We would like to invite you:

- To take the opportunity to view our draft policy and curriculum intentions
- Complete a questionnaire for your feedback to be captured
